The way the Rice and Hutchins factories and tanneries would appear in one group.

The Rice & Hutchins Method

A Modern Merchandising System

YEARS of experience, concentration upon one idea and the loyal **Home Office** support of retailers has enabled us to build up a merchandising system that is unique in the shoe business and of unusual advantage to the retailer of shoes.

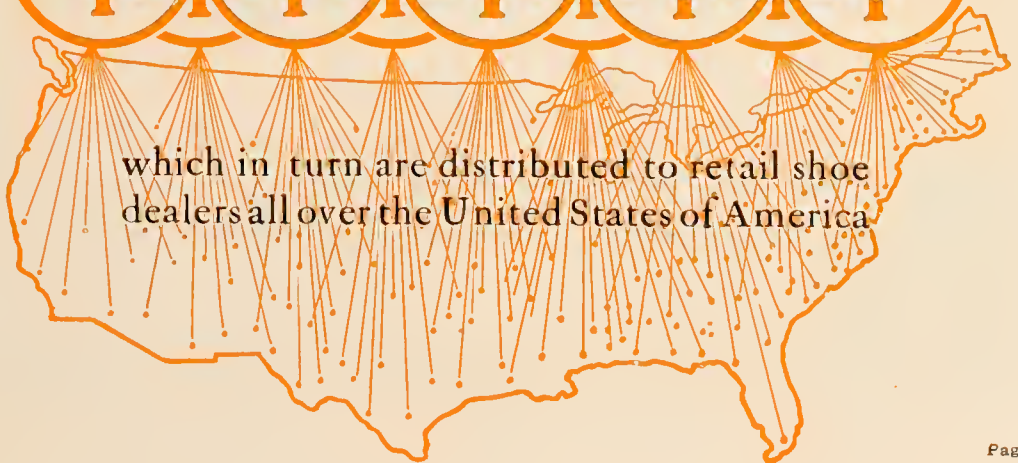

Beginning with a collection of factories that in efficiency and the quality of goods produced are second to none, we then

Factories

carry in nine centrally located wholesale houses a complete stock of advertised named shoes, the product of these factories,

Wholesale Houses

which in turn are distributed to retail shoe dealers all over the United States of America

OUR POLICY—OUR TERMS

Policy. We endeavor to produce the best possible quality of goods and to sell them at the smallest profit.

We are shoe manufacturers. We are not bankers; therefore we cannot afford to take a banker's risk by giving time on accounts.

We believe in doing business on as near a cash basis as possible. No customer can be a good customer to us who will not pay promptly when his bill is due.

We want good customers.

A customer who is habitually slow in payment is a bad customer.

We do not want bad customers.

If you will pay promptly when bill is due, we will serve you. If you will not pay promptly, we cannot afford to serve you. The small profit we place on our goods is sufficient only when we collect on time, and thus make no losses.

There are houses who give longer time and get a profit to cover it. We do not. Our prices are lower than those who give you longer time.

Terms: *Thirty days net, or 2% off ten days.*

Our prices and terms are alike to all. No advance datings allowed.

Jobs are sold net thirty days from date of bill.

We warrant the workmanship on all our goods.

Mismatched shoes we cannot accept for credit unless returned within ten days from receipt of goods.

Kindly use stock numbers and full description when ordering goods.

We are always glad to hear any complaints and to make good such as are just.

Mail Order business is solicited, and we guarantee careful attention. We have the goods when you want them. If you are not familiar with our lines we shall be pleased to send sample pairs express prepaid, but to avoid the possibility of error we would ask you to give stock number or a complete description, in every instance stating whether or not you can use something similar providing the style or size called for is out.

Our RAPID FIRE MAIL ORDER DEPARTMENT is at your service at all times.

RICE & HUTCHINS NEW YORK COMPANY

Ready-to-print newspaper advertisements are a mighty factor in coaxing EDUCATOR SALES. How many "ready-to-prints" have you used?

These advertisements reflect the style of our national advertising. They are yours for the asking, and your salesman, your agency, or the Advertising Department will be glad to show you proofs of all our ready-to-print advertisements. Order by number, from your agency.

*Infants' Patent Colt Bullion Educator.
Made in Misses' and Infants' Sizes in Patent Colt, Dull Calf, Black Kid and Russia Calf.*

Bent Bones

That Were Bent
By Pointed Shoes

POINTED shoes are what make all bent bones, corns, bunions, ingrowing nails, callouses, flat feet, fatigue, and all the ills that feet are heir to.

Straight Bones

That Grew Straight
In Educator Shoes

EDUCATORS prevent, relieve or free your feet from bent bones, corns, bunions, ingrowing nails, etc., because they let the feet grow as they should.

Get your whole family (men, women and children) into roomy, good-looking Educators today. \$1.35 to \$5.50.

See that EDUCATOR is branded on the sole. That name guarantees you the correct orthopaedic shape which lets your feet grow as nature intended.
